

# USER MANUAL

## FOR ONLINE VENUE BOOKING

**Prepared By:**

<https://www.gemini-us.com/>

## 1. Introduction

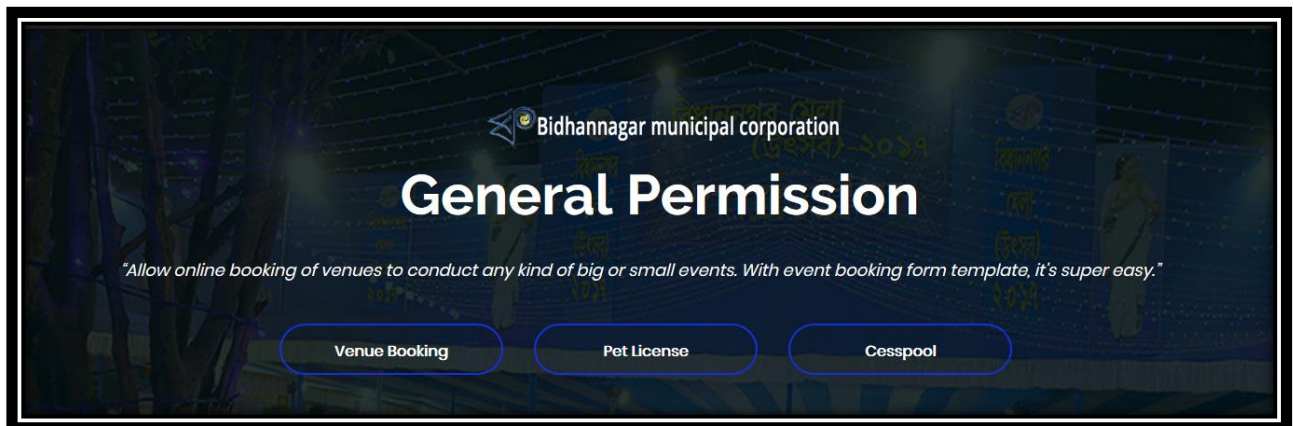

- ✚ BMC intends to implement an on-line system where in application for citizen service for Online General Permission will be handled in a user friendly portal within the defined timelines. The purpose is to reduce dependency on internal actors in the process and make the system more transparent and citizen friendly.
- ✚ This document contains information about BMC's intent to have its web application which would automate the online application process to avail Venue Booking, Pet License & Ferule/Cesspool Clean-Up Booking.
- ✚ This document aims at describing the details of requirements (functional and nonfunctional) such as functionalities, features and user interfaces for BMC web application. In this document, the behaviors, user interface and interactivity details of the web application will be fully described.

## 2. Purpose of user manual:

- ✚ This User Manual provides complete information about the usage of the system. The user can refer the user manual to understand the process and utilize the system effectively. This manual includes a description of the system functions and features, contingencies and alternate modes of operation, and step-by-step procedures for easy system access and use.

## 3. Login to the Application:

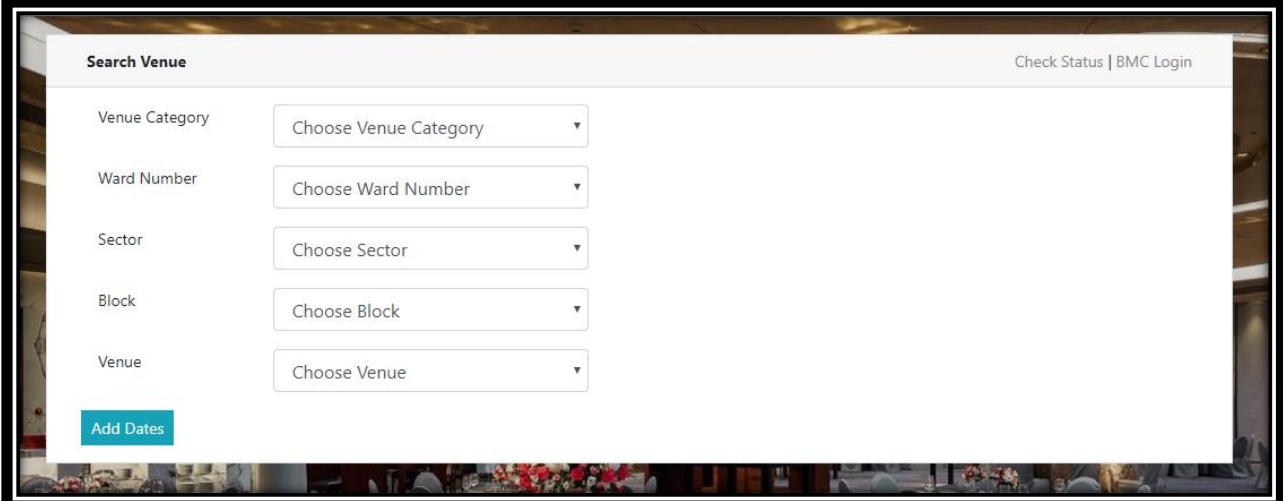

- Enter the URL [gp.bmcwbgov.in](http://gp.bmcwbgov.in) in the URL bar
